- Tasks completed :  
Everything (beach cleaning organisation - airlines' plastic wastes issue - ESG)
- What did you like the most about your internship:  
ESG
- Did your internship live up to your expectations?  
Yes mostly a very warm and dynamic team with very interesting tasks.
- Can you recommend others to apply to TAF?  
Yes and I have already done it.

- Which skills did you learn?
  - A lot about plastic pollution and "green finance"
  - Team management and collecting information
- Can your internship and what you learned be of use for you in the

future?

Yes especially the last part of my internship since it is something I want to contribute my studying too (ESG)

- Other comments:

Thank you for all these opportunities and your confidence! I really loved that internship

- Date 10/08/2020 Signature \_\_\_\_\_
