

Evaluation form - Internship at TAF- The Animal Fund

- Name: **IAN CHRISTENSEN**
- University: **SCIENCES PO**
- Period of Internship: **2019-2020**
- Hours of Internship : **~75**
- Tasks given : **Beach clean organisation, airline waste campaign**
- Tasks completed : **Menton beach cleanup executed, airline campaign initiated and summary presented to TAF community meeting**
- What did you like the most about your internship:
The community of people, the level of independence and responsibility given, and the amount I learned through the organisation
- Did your internship live up to your expectations?
It did! I really enjoyed my time with TAF. I was very upset for it to end early as I feel we would have done much more in the spring.
- Can you recommend others to apply to TAF?
Absolutely.

- Which skills did you learn?

Teamwork, responsibility, managing time and tasks, event organisation

- Can your internship and what you learned be of use for you in the

future? Definitely. It has spearheaded my idea of the direction I want to go in.
