- **Name:** Viktoria Iskina
- **University:** IEP Paris (Sciences Po)
- **Period of Internship:** 02/02/2022-30/04/2022
- **Hours of Internship :** 70
- **Tasks given :** Social media management, assistance during events and conferences.
- **Tasks completed :** Advancement of the association's social media exposure and content creation.
Assistance in organisation and implementation of few events.
- **What did you like the most about your internship:**
The dynamic of the association set by the passionate and inspiring President of TAF!
- **Did your internship live up to your expectations?**
The internship has exceeded my expectations and I learned way more than I could imagine.
- **Can you recommend others to apply to TAF?**
Absolutely!

- Which skills did you learn?

While interpersonal skills were central to my experience, I have also enhanced my organisational and presentation skills.

- Can your internship and what you learned be of use for you in the

future?

Both knowledge and experience I have obtained will most definitely have a positive impact on my future endeavours since I will never lose the perspective and the values that TAF - The Animal Fund has presented me with.

- Other comments: TAF - The Animal Fund was one of the best things I have ever contributed to and I will be forever grateful for this enlightening and empowering experience!
