

Evaluation form - Internship at TAF- The Animal Fund

Name: Sara Kovacheva

University: IEP Paris – Sciences Po

Period of Internship: March – May 2023

Hours of Internship : 60

Tasks given : Management of social media (Twitter) , assistance during educational school visits

Tasks completed : Maintaining the twitter account and updating it with relevant information, providing assistance during presentations at schools

What did you like the most about your internship: The atmosphere and dynamics of the organization, as well as the interesting new knowledge I gained throughout the internship.

Did your internship live up to your expectations? It went above and beyond my expectations even!

Can you recommend others to apply to TAF? Absolutely, I would highly recommend!

Which skills did you learn? Surely gained some interpersonal skills, and also would say that I improved my management skills and even my French language skills to an extent.

Can your internship and what you learned be of use for you in the future? Most certainly. Taking into account my interest of the environment and sustainability field, the skills and knowledge I gained at TAF will be of great use.

Other comments: Interning at TAF – The Animal Fund has been such an incredible and supportive experience, and I am beyond happy and content that I have had this amazing opportunity!
